

The Emerging Growth Professional directory exists to help private & public companies, investors and individuals involved in the financial markets find partners and solutions for the growth and pitfalls that are a daily part of business in this space.

Our Professional directory includes:

- Legal & Accounting Services
- Investment Banking
- Investor Relations
- Newswires
- Small Cap Stock Solutions
- Transfer Agents

Being listed in the directory also includes mass marketing across the Emerging Growth platform.

- Branding of all emails
 - Sent to 30,000 Companies & 55,000 Individuals
- Branding of all Conference pages on Emerging Growth.com
 - A new double day investor Conference added each month
- Advertising in all press releases
 - Appears in the news feeds of 30 different public companies each month.
- Branding of all Conference pages on Emerging Growth.com

Contact us to be inserted into the Professional Directory.

Benefits:

- Exposure to tens of thousands of potential customers around the world.
- Guest presentation on one Conference each quarter
- Customized & updatable content on all media outlets.

The screenshot shows the website header with navigation links: CONTACT US, HOME, EMERGING GROWTH CONFERENCE, CRYPTOCURRENCY, and RESOURCES. Below the header is the Emerging Growth Conference logo and a search bar. A banner for the Emerging Growth Conference 66 (January 10 & 11) is visible. The main content area displays the profile for 'Emerging Growth Company' under 'Service Providers'. The profile includes a navigation menu with categories like 'The Directory', 'Law Firms', 'Accountants / Auditors', 'Investment Banking', 'Investor Relations', 'News Wires', and 'Transfer Agents'. The profile for Marcum LLP is highlighted, showing their headquarters at 730 3rd Avenue, 11th Floor, New York, NY 10017, and their services: Tax & Business Services, Assurance Services, and Advisory Services.

The screenshot shows the website header with navigation links: CONTACT US, HOME, EMERGING GROWTH CONFERENCE, CRYPTOCURRENCY, and RESOURCES. Below the header is the Emerging Growth Conference logo and a search bar. A banner for the Emerging Growth Conference 66 (January 10 & 11) is visible. The main content area displays the agenda for 'Emerging Growth Conference 65' on December 6 & 7, 2023. The agenda lists several speakers and their companies: GlobeNewswire, ThinkEquity, RIV MIR (Bennett Vogel Mandler & Rodriguez), MARCUM ACCOUNTANTS + ADVISORS, CONTINENTAL STOCK TRANSFER & TRUST, and DARROW ASSOCIATES. A video player for Quantum Computing Inc. is also featured, along with a list of keynote speakers: Robert Liscouski, CEO, and Chris Boehmier, CFO.
